In GO no 1776-7 & 17.1.11, the order about the Gateway, it was decided would be taken into Consideration if the order about the encroachment was set aside. The order in the matter of encroachment is (vide Endt no R92968 30.3.16) that the Mohamedans if they are to be allowed to retain the encroached portion (with the building and gateway of mosque thereon) should agree (i) not to object to Hindu music and processions passing by the gates in the road, (ii) to pay for the land and (iii) to give a fine of 50 Rs. In Oct 17, it was ordered that if the Mohamedans did not take the land on the terms imposed, Govt will dispose of it otherwise (a Hindustani School may be built.)

16) The proposal of the Dy Comr. about processions consists of the following arrangements:

(i) Stoppage of music and processions, 30 ft on either side of the Masjid premises, every Friday bet 12 noon + 2.30 Pm + during passage on Bakrid and Ramzan;

(ii) to remit the value of the

and (iii) to correct the price of the land (though in the copy of the Muchalika, the Mahamedans ask for remission of the fine and the price).

7. In view of the orders about encroachment, it is a question if the Dy Commr can now propose the arrangements aforesaid, inasmuch as they go to modify the orders of Govt.

8. Arrangement (i) re stopping of music, involves the creation of new rights inasmuch as no such rights existed before. — The quarrel re music and processions cropped up with the unauthorised erection of the gateway in recent times.

9. It is submitted that the best course for this Department is to concur in the decision of the Revenue Department, ~~which~~ whereby one of the conditions imposed on the Mahomedans if they wish to retain the encroached land, is that they should not offer any obstacles to Hindu music and processions. based upon the customary law of the country and the proof of it rests with the party who alleges it. In practice however a recognition seems to have been given to the existence of such a right by an old order of Govt. which in itself has not been based but which is referred to in the Chief Commr's circular dated 22nd Aug. 1877 restricting the privilege only to institutions which were in existence on that date. It is noteworthy that a similar order was passed by the Madras Govt. on 2nd May 1876 in connection with the Govt. right that stoppage of music need be made an invariable condition when processions pass any recognised place of public worship. This order was apparently passed in the interests of public peace but its sweeping terms were animadverted upon by the Judges of the Madras High Court in full Bench case Sundaram chetty by Mg. J. L. Sir,

With reference to your letter No. 1430/Muz.94-17-9 dated 21st December 1917, inviting reference to Revenue Secretary's Memo No. R.4026/L.R.550-16-6 dated 19th October 1917, forwarding a copy of endorsement issued to Abdul Rasool Sah and other Mussalmans of Arkalgud rejecting their review petition in the matter of their claim to the vacant site adjoining the Jumma Masjid at the place, as also to para 2 of Government Order No. 1776-7/Muz.F.654-08-12 dated 17th January 1911 regarding the new gateway constructed on the site in question and requesting me to inform as to what action is proposed to be taken to prevent future clash between the Hindu and Mahommadan communities on account of processions going along with music in the Hassan-Ramanathapur road opposite to the Masjid. I have the honor to state as follows :-

I conducted the Huzur Jamabandy of the Arkalgud Taluk in March 1918. During that period, I gave an opportunity to the Mahommadans. to consider the matter over and give me a decided reply as to their willingness or otherwise to give a Mutchalika to Government so as to prevent all future clash between the two communities. They, after consultation among themselves, came forward and executed a Mutchalika (copy of which is enclosed for reference) before me and the same was signed in my presence by most of the Mahommadans who were present then. Submitting a report in the matter of prevention of clash between the Hindus and Mohammadans at Arkalgud on account of processions going on the Hassan-Ramanathapur road with music opposite the Muazid.

Secy's order

found necessary that the signatures of the Khazi and others (who were then absent from the place) should also be obtained I called upon the Amildar to obtain the same before him. He has now submitted the Mutchalika after taking their signatures to it.

2 The Muazid is a poor institution having very little income and, with a view to increase the same the Mahommadans unauthorizedly built a few shops on the adjoining vacant site. As they have now bound themselves by their Mutchlika agreeing to the Hindus taking their processions with music in front of the Masgid in question as hitherto and have asked for a small concession of stopping the music in front of the Muazid on a few occasions of prayer. I am taking action as District Magistrate to regulate processions under the Police Regulation.

3 As the Mahommadans have come to terms and as the long-standing dispute has been satisfactorily settled, I request that the fine imposed on them viz. Rs 50/- for unauthorized encroachment may be kindly remitted. I make the above recommendation in the interests of the Muazid as the amount has to be met from the funds of the Institution. The price of the land will of course be collected from them.

4 A copy of the tracing shewing the position of the Masgid, the attached buildings, the gateway and the Hassan-Ramanatha-pur road etc., is also enclosed for information and record with the file concerned.

I have the honor to be,

Sir,

Your most obedient servant.

Deputy Commissioner,

Hassan District.

To :

G. Aravamudu Iyengar, Esqr., B.A. B.L.,
Joint Secretary to the Government of His Highness the
Maharaja of Mysore, Muzrai Department.

Sir,

With reference to your letter No.1553/Muz.680-17-6 dated the 18th instant, regarding the passing of processions in front of the Masjid at Arkalgud Town, I have the honour to state that I think the terms of the compromise can be easily carried out. What the Mohamedans ask for is no more than what they are entitled to under the existing law, and the District Magistrate can take the necessary steps for the stoppage of music at the time of prayers. So far as my knowledge goes, the opposition comes not from the general body of Hindus who are on perfectly freindly terms with the Mohamedans, but from a small section of the Vaisya community, who have been all along opposing all efforts towards an amicable settlement of the dispute. That the conduct of the Vaisyas is not looked upon with favour by the general body of Hindus is evident from the fact that in the procession during the Moharam of 1917, in which the deity of the Vaisyas was caricatured, the Hindus had also joined hands with the Mohamedans and that in the subsequent legal proceedings that followed some of them were convicted along with the Mohamedans. It is only when Vaisyas wantonly take the procession ~~during~~ on the special occasions mentioned in the muchalika or instigate others to do so that a disturbance may be apprehended. But there is no remedy against such wanton mischief.
